## STATEMENT OF FACTS

On November 7, 200, the voters approved Proposition 34, which makes significant additions and amendments to the Political Reform Act (Government Code sections 81000 *et seq.*) The statutory changes affect the conduct of the political process and also similarly affect the exercise of political rights by individuals, parties, and organizations. Clarification and orderly implementation of these statutory changes by the Commission in emergency regulations are necessary to minimize disruption of the political process.
